I understand that the massage I receive is provided for the basic	purpose of relaxation and relief of					
muscular tension. If I experience any pain or discomfort during m	ny session, I will immediately inform the					
therapist so that the pressure and/or strokes may be adjusted to	my level of comfort. I further					
understand that massage should not be construed as a substitute	e for medical examination, diagnosis, or					
treatment and that I should see a physician other qualified medical specialist for any mental or physical						
ailment that I am aware of. I understand that massage therapists	are not qualified to perform					
adjustments, diagnose, prescribe, or treat any physical or mental illness, and that nothing said in the						
course of the session given should be construed as such. Because massage should not be performed						
under certain medical conditions, I affirm that I have stated all my known medical conditions, and						
answered all questions honestly. I agree to keep the therapist up	odated as to any changes in my medical					
profile and understand that there shall be no liability on the there	apist's part should I fail to do so.
